

NEW LOOK! The SAP Concur eExpenses user interface is changing!

What's changing?

The look and feel of the claimants' interface is more intuitive, clearer and more accessible

What's not changing?

The underlying functionality and approver interface are unchanged

Watch this short video of the main changes:

<https://finance.web.ox.ac.uk/sapnextgenui#collapse3651826>

Updated How to videos from Financials Training:

<https://finance.web.ox.ac.uk/sapnextgenui#collapse3651836>

Benefits of NextGen UI:

- Quicker, easier claims
- Aligned look and feel in the app and online
- Clearer visual cues and alerts
- Improved accessibility
